Patients who are 18 years of age or older may self-enroll in the patient portal.

1. Visit [MyAdventistHealth.org](https://MyAdventistHealth.org) and click on **Log in to MyAdventistHealth**.

2. Then click **Enroll here** in the lower portion of the login page.

3. Complete the required fields: **First name**, **Last name** and **Date of birth**. Then choose how you want to verify your account. Self-enrollment is available for Adventist Health patients age 18 or older who do not currently have access to MyAdventistHealth.

Self-enrollment is not currently available to caregivers or guardians. If you manage the health of a patient, talk to the patient's health care provider during the next visit to receive a personal invitation to MyAdventistHealth.
